Celebrate
Georgia Archives Week
October 3-9, 2004
Mapping Past to Future

Events
We encourage you to think of ways your organization or local government can celebrate Archives Week in your community. Your activity does not have to be directly related to the theme but does need to focus on the importance of archival records. Ideas include creating exhibits, hosting receptions, giving tours, writing articles, or developing special programs.

Need Help?
To help you, an Event Planning Guide has been created and is available at www.soga.org. If you do not have access to the Internet, a copy may be printed out for you. Please contact Susan Prouse, Superior Court Clerk, Chatham County Superior Court, P.O. Box 10227, Savannah, GA 31412; Tel: 912-652-7200; email: srprouse@chathamcounty.org.

What is Archives Week?
The purpose of Archives Week is to celebrate the value of Georgia’s historic records, publicize the many ways historical records enrich our lives, and recognize those who maintain our communities’ historical records. This is the ideal time to call attention to your organization or local government and its work in preserving Georgia’s documentary heritage.

Publicity
The celebration will be publicized across the state. Governor Perdue will be asked to proclaim the week of October 3-9, 2004 as Archives Week. Current plans also call for a poster, newspaper and newsletter articles, and events at various repositories. If you will provide information on your planned activity to Laura Botts (contact info below), we will be happy to help publicize your event on the Society of Georgia Archivists (SGA) website at www.soga.org.
